

## **Brief Write-up on IBPS**

---

The Department of Electronics and IT (DeitY), Ministry of Communications and IT, Government of India has notified the “India BPO Promotion Scheme (IBPS)” under Digital India Programme, which provides financial support in the form of Viability Gap Funding to eligible Companies. STPI invites online bids through Request For Proposal (RFP) from the eligible Companies, who are desirous of setting up BPO/ITES operations, under the IBPS. Bid Submission End Date is 31/05/2016 05:00 PM.

In pursuance of awareness of IBPS, various events have been organized post floating of this tender across the country at Software Technology Parks of India (STPI) centres. STPI Mohali has organised ROAD SHOW on 13<sup>th</sup> May, 2016 at STPI Mohali office.

The ROAD SHOW was started by Centre Head STPI Mohali Shri Ajay Prasad Shrivastava at around 03:00 PM. The event was attended by top executives of IT companies of Tricity. Event was started with the brief presentation on IBPS by Centre head followed by question answer from participants.

It has been observed that all the participant of IT/ ITeS and Electronics industries have enthusiastic about this BPO Scheme.
